## TRY THIS

Two Minute Cure for Cold in Head or  
Chest.

Into a bowl three quarters full of  
boiling water pour a teaspoonful of  
Hymey (pronounce it High-one).  
Put your head over the bowl and  
cover both head and bowl with towel.

Breathe the vapor that arises for two  
minutes, and presto! your head is as  
clear as a bell, and the tightness in the  
chest is gone.

It's a pleasant cure. You'll enjoy  
breathing Hymey. You'll feel at once  
its soothing, healing and beneficial  
effects as it passes over the inflamed and  
irritated membrane. Ask the Red Cross  
Pharmacy for extra bottle Hymey in-  
halant. 50 cents, they guarantee it to  
cure catarrh, asthma, coughs and colds.

## It Started the World

When the astounding claims were first  
made for Bucklen's Arnica Salve, but  
forty years of wonderful cures have  
proved them true, and everywhere it is  
now known as the best salve on earth  
for burns, boils, scalds, cuts, bruises,  
sprains, swellings, eczema, chapped  
hands, fever sores and piles. Only 25c  
at the Red Cross Pharmacy.

## TRY THIS FOR WIND BURN.

If exposure to sun or a stinging wind  
burns your face and roughens the skin,  
dust on a little Comfort Powder and the  
annoyance will vanish.

Comfort Powder is a healing toilet  
powder—don't compare it with talcums  
loaded with perfume that irritates the  
skin. Comfort Powder is noted for keep-  
ing the skin smooth and free from all  
rashes, chafings and itchings. Trained  
nurses and physicians say it is the only  
toilet powder good enough for babies.

## About the State

Col. H. M. McFarland of Hyde Park  
has just placed the contract for the  
erection of a \$14,000 house in that  
place.

Dr. Frank W. Hew of Groton, Mass.,  
a native of Vermont, and a graduate of  
the University of Vermont, Burlington,  
has been appointed a member of the  
staff of the fish and game commission of  
Connecticut.

The Bible used in the 300th anniver-  
sary of the King James version of the  
Bible, at its recent observance in the  
Congregational church in Hinesburg, was  
the old family Bible of Thomas Dar-  
win, brought from Connecticut when his  
family moved to Hinesburg, and in  
which the first family record bears the  
date of 1747.

A carload of fifteen Morgan horses  
arrived in Middlebury Tuesday for the  
government farm in Westbridge. They  
were purchased at Redmond, Wash., and  
were brought in charge of Charles L.  
Payne of Bridgeport, who went west with  
several Morgan horses some weeks ago.  
There are now about eighty Morgan  
horses at the farm.

While in Peacham, caring for her father,  
O. W. Taylor, Mrs. Moses Ed-  
munds received word of the destruc-  
tion of her home in Concord, N. H., by  
fire and the death of her nephew, aged  
three years, who was asleep upstairs  
and burned to death before the house  
was discovered on fire. It caught in the  
upper part of the house.

The three-year-old daughter of Mr.  
and Mrs. George Bartlett, Jr., of West  
Rutland was severely burned Saturday  
while playing about a bonfire, which  
members of the family had started in  
the garden. The right arm of the child  
was burned to the shoulder and the  
left arm as far as the elbow, together  
with severe burns about the body. Her  
clothing was on fire when her mother  
discovered her.

## DAMAGE BY LIGHTNING.

Several Places Burned During Monday  
Night's Electrical Storm.

During Monday night's thunder storm,  
the barn of G. N. Deal in Highgate  
Springs was struck by lightning and  
burned, together with four cows, one  
valuable horse, 20 tons of hay and some  
farming tools. The loss was partly cov-  
ered by insurance.

The same night the house of Elmer  
Reed in Concord was burned to the  
ground, after being struck by the light-  
ning, the family being only able to  
escape in their nightclothes and sav-  
ing nothing of their household belong-  
ings. The loss is covered by insurance.

A large barn on the farm of M. S.  
Dinn in North Shrewsbury was also  
struck by lightning and burned. The  
structure was totally destroyed. It  
was valued at \$1,000 and was insured  
for about half that sum. A large silo,  
attached to the barn, was also burned.  
The cattle were in the pasture, so they  
were unharmed, but considerable hay  
and many farm tools were destroyed.

During the storm the barn of E. W.  
Smith near Enosburg Center was struck  
by lightning and two cows and a calf  
were killed and another cow injured so  
badly that she had to be killed. The  
barn was considerably damaged.
